Steel Surface Mounted Removable Pipe Safety Bollard 24 In. x 5-1/2 In. Yellow

MODEL BOL-RF-24-5.5

Protective Barriers / Surface Mounted Removable Steel Pipe Safety Bollards

PRODUCT OVERVIEW

This steel pipe safety bollard can be used both indoors and outdoors to protect work areas, racking and personnel. Surface mounted steel base plate allows for quick and easy bollard removal. Steel base plate is bolted in place. Guard is easily inserted into base plate then locked in place. Base plate includes pre-drilled mounting holes. Plastic caps are removable. Powder coated safety yellow finish. Welded steel construction.

KEY FEATURES

- Safety pipe design can be used either inside or out
- Powder coat safety yellow finish offers an attractive long lasting look
- Heavy-duty welded steel construction provides long lasting protection
- Surface-mounted steel base plate allows for quick & easy bollard removal
