# Steel Rigid Tube Post Bolt On Style 72 In. For 3 Ribbed Bolt On Style Guard Rails Yellow

**MODEL GR-F3R-BO-TP72-YL**

Protective Barriers / Structural Guard Rails (drop-in and bolt-on style)

## PRODUCT OVERVIEW

Protecting equipment, inventory, and most importantly individuals from damage or injury is always a concern. But, with a structurally strong guard rail those worries can be eased. Rails have 3 ribs for impact resistance both indoors and out. A bolt-on style rail design allows the user to fasten the rails securely in place. Powder coated finish for built in added toughness. Additional posts are available and sold separately. If adding a rail to an existing rail and post section, only a single post is needed.

## KEY FEATURES

- 3 Ribbed design for added strength
- Yellow baked-in powder-coated finish for added toughness
- Bolt-on style rail for secure positioning
- Pre drilled surface mounting holes

## CORE PRODUCT DATA

| ASSEMBLED WEIGHT | ASSEMBLED SIZE | SHIP WEIGHT |
