Steel Economy Lever Hoist 10 Ft. Chain Length 6000 Lb. Capacity Orange

MODEL ELH-60-10

Overhead Lifting / Economy Lever Hoists (disc brake)

PRODUCT OVERVIEW

The economy lever hoist is ideal for lifting and pulling applications. It features a completely enclosed Weston-type automatic brake system for precise load positioning. This hoist is constructed from cold-formed stamped steel, which confers great strength, impact resistance and long product life. Single-hand "free chaining" is simple and convenient allowing smooth, trouble-free operation in the vertical or horizontal position. Both the swivel hooks include deformation indicators. Every chain hoist is issued with an individual test certificate.

KEY FEATURES

- 360 degree lever handle rotation
- Durable baked enamel paint shields non-wearing parts from environmental damage
- Tested to one-hundred fifty (150) percent of the rated capacity
- Meets applicable ASME B30.21 specifications
