

Steel Electric Pallet Truck 27 In x 45 In 4,500 Lb. Capacity Black/Blue

MODEL EPT-2745-45

Ergonomic Solutions / Fully Powered Electric Pallet Truck

PRODUCT OVERVIEW

An electric pallet truck is the perfect upgrade from the standard manual design. This functional approach minimizes manual labor and maximizes efficiency when moving products and goods. Speed adjustments as well as raising/lowering forks can be modified without the users' hands leaving the functional handle. Unit is powered by a lithium ion battery for continuous consistent use. Forks are powder coated for a baked in added toughness. Horn is also included.

KEY FEATURES

- Lithium ion battery pack is interchangeable for continuous usage
- Multi-function handle with built in controls
- Accessible design for maintenance and cleaning
- Emergency reverse belly switch instantly reverses direction
