

Molded Rubber/Steel Class II Fork Truck Carriage Bumper Black / Yellow

MODEL FCB-818

Fork Truck Attachments / Fork Truck Carriage Bumper

PRODUCT OVERVIEW

The fork truck carriage bumper is a great addition to the existing fork truck. The construction is strong and durable throughout daily use. During transportation of goods, the bumper allows for full use of forks without the worry of unwanted damage to the front of the lift.

KEY FEATURES

- Molded rubber bumper is secured for maximum safety
- Steel mounting plate used for added strength
- Protects loads from potential damage
- Slides into place, no hardware needed
