

Factory Installed Steel Stationary Legs Kit Quantity 4 For Fixed Height Aluminum Gantry Cranes

MODEL FHA-STLO

Overhead Lifting / Fixed Height Aluminum Gantry Cranes

PRODUCT OVERVIEW

Stationary leg sets are a great accessory to a gantry crane. By assigning the crane in a specific area the legs set create a solid base to a workplace. The set continues to have all the strength and durability of its portable counterpart, except the ability to roll. Factory installed.

KEY FEATURES

- Transfers the crane into an immobile unit
- Factory installed for immediate use
- Durable construction for high lifting capacity
- Provides stability in a designated area
