

Steel Field Installed Stationary Legs For Fixed Height Steel Gantry Crane Models Blue

MODEL FHS-STLO-RF

Overhead Lifting / Fixed Steel Gantry Cranes

PRODUCT OVERVIEW

Stationary leg sets are a great accessory to a gantry crane. By assigning the crane in a specific area the legs set create a solid base to a workplace. The set continues to have all the strength and durability of its portable counterpart, except the ability to roll. Field installed.

KEY FEATURES

- Transfers the crane into an immobile unit
- Field installed for immediate use
- Durable construction for high lifting capacity
- Provides stability in a designated area
