Steel Heavy Duty Flush Top Dolly 16 In. x 16 In. 8,000 Lb. Capacity Blue

MODEL FTD-1616-8

Industrial Carts & Dollies / Flush Top Dolly

PRODUCT OVERVIEW

Some dollies are made for small items; others are built for the large. And then there are the few that exceed all expectations. This dolly is one of those few. With an 8,000 lb capacity, this dolly isn't built for run of the mill daily chores. It is created to handle some of the heaviest loads in the warehouse, and then some. The 16" x 16" platform has ample surface area which makes transporting boxes, crates and even machinery a simple task. And don't worry about loading and unloading items from certain directions; the open design lets the user choose depending on the situation.

KEY FEATURES

- Includes 9 swivel casters
- Smooth top limits nicks and scuffs
- Rolls on glass filled nylon casters
- 16" x 16" platform top
