

Steel Crowd Control Interlocking Barrier with Flat Feet 47-1/2 In. Length Yellow

MODEL PRAIL-48-Y-FF

Protective Barriers / Crowd Control Interlocking Barriers

PRODUCT OVERVIEW

The Heavy Duty crowd control interlocking barrier is attractive and the functional design is ideal for directing personnel. Interlocking portable railing has many commercial and industrial applications. Upright bars are vertically spaced. Each railing includes connectors to attach multiple units together to form long runs. Units are easy to move to meet changing needs. Barriers have flat and compact design to minimize storage space when not in use.

KEY FEATURES

- Attractive and functional design ideal for directing personnel
- Rugged welded steel construction long lasting use
- Powder coated for smooth finish
- Simple portability between work areas
