Factory Installed Dual Vinyl Weather Stripping For 110 In. Pit Dock Leveler Models White

MODEL WS-10-DV

Loading Dock Equipment / Weather Stripping (for pit mounted dock levelers)

PRODUCT OVERVIEW

The factory-installed dock leveler weather stripping option helps maintain the proper working environment. The system comes pre-fitted with (2) pre-cut side strips and (1) pre-cut foam insulator for the rear of the pit. The dual vinyl has a white dual-seal that arrives securely attached to the side of dock levelers with self-tapping sheet metal screws. For future maintenance, the replacement vinyl easily slides into the factory-anchored extruded channel.

KEY FEATURES

- Weather strip design keeps out pests & rodents
- Factory installed option
- Durable vinyl construction
- Precut stripping works with any size dock leveler
